# Middle Galaxy Dashboard and Class Code Creation

Educators registered with Texas OnCourse also have access to the Middle Galaxy Dashboard ([https://dashboard.texasoncourse.org/#/middle\\_galaxy/educator](https://dashboard.texasoncourse.org/#/middle_galaxy/educator)) . With this feature, educators will now have the ability to create class codes to track the progress of students who are playing the Middle Galaxy game. To begin, click the  button.

The screenshot displays the Texas OnCourse dashboard interface. At the top left, the logo reads "Texas OnCourse" with the tagline "Plan Early. Plan Smart." To the right, there are navigation links for "Dashboard" and "Teacher Test" along with a user profile icon. Below the header, a notification bell icon indicates "5 Test tes" with a "View All Notifications" dropdown. The main content area is titled "School Codes" and features a list of existing codes: ED7E7C55F6, 653F6C807C, 1FEB904049, 70C84FB8B3, 3DE52F2391, and 39AD5DA137. A prominent green "+ CREATE" button is positioned to the right of these codes. Below the codes, a blue bar labeled "STUDENT GAMING STATS" contains a table with columns for School Code, Student Name, E-Mail, Total Games Completed, Last Login, Missions Completed, Current Score, Cards Played, Play Time, and Status. A search bar labeled "SEARCH BY COLUMN" is located above the table, which currently displays "No data available". At the bottom of the dashboard, a footer contains the Texas OnCourse logo and links for Contact Us, Dashboard, Web Accessibility, Glossary, and Feedback. The bottom right corner shows "Total Rows: 0" and "Rows after filtering: 0" with a "DOWNLOAD CSV" button.
