WHAT WE PROVIDE

Professional Development for College and Career Advisory

Texas OnCourse Academy

Comprehensive, on-demand professional learning prepares educators to advise any student on any post-high school opportunity.

Texas OnCourse Leader Fellowship

College and career advising professionals from across the state provide a professional learning network for their colleagues.

Middle School Resources

Texas OnCourse Curriculum and Family Guides

Lesson plans aligned to Texas education standards support college and career readiness instruction. A complementary family guide helps parents and guardians support their child from high school to middle school and beyond.

MiddleGalaxy

A space-themed career exploration game exposes middle school students to in-demand Texas careers.

MapMyGrad

An interactive website helps students and families understand endorsements, explore career paths, and start building a graduation plan.

Postsecondary and Career Exploration for All Levels

Share Your Road

An online platform with career stories from real-life Texans exposes students to opportunities they might otherwise not know about.

Room to Grow

Via a documentary and video vignettes, produced by Roadtrip Nation, students learn from the professionals and college students who were once in their shoes.

BACKGROUND

In 2015, Texas invested in Texas OnCourse, an effort to transform counseling and advising and achieve the promises of HB 5 (2013). UT Austin leads the development of Texas OnCourse in collaboration with Governor Greg Abbott's Tri-Agency Workforce Initiative.
